## Historical property in prime Jersey location at St Aubin's harbour

This is a rare opportunity to purchase an historical granite house on the picturesque St Aubin's harbour with its own parking.

The double fronted granite house dates back to the eighteenth century and has been carefully renovated to provide a comfortable home overlooking the boats and within metres of all the popular restaurants and bars in this popular village.

Once a sea merchant's home when St Aubin was a thriving harbour, the house has been adapted to modern living and now features a large living and dining area and modern kitchen and breakfast area with views across the harbour.
