Over 50's Purpose Built One Bed Apartment
St. Clement, Jersey

OVER 50'S PURPOSE BUILT ONE BED APARTMENT

A first-floor purpose-built apartment in the popular over 50's development, Avalon Park. Located along the coast road, it benefits from convenient access to a regular bus route right on its doorstep and Green Island beach across the road (5-minute walk).

The apartment enjoys a pleasant view overlooking the communal gardens.

Comprising; entrance hall with two storage cupboards, generous sized sitting room/diner, separate kitchen, utility cupboard, one double bedroom with fitted wardrobes and a house shower room.

Avalon Park offers excellent communal facilities for its residents including a heated indoor swimming pool, maintained communal gardens, a large communal area with a kitchen facility, a library, and an on-site caretaker to address any maintenance concerns.

Parking at Avalon Park operates on a first-come-first-served basis; however, each apartment comes with the entitlement to use one parking space. There are plenty of spaces available for residents and their guests.

Overall, this purpose-built apartment presents an attractive prospect for those seeking a convenient coastal location, a range of communal facilities, and the opportunity to put their own personal touch on the property through some updating.

Please note that this property is currently rented until 31st January 2024.
