Family Home With Countryside Views  
St John, Jersey

## FAMILY HOME WITH COUNTRYSIDE VIEWS

This deceptively spacious five-bedroom family home is situated on a quiet country lane close to schools and amenities and only a short drive to St. Helier.

The property offers a 570 sq ft kitchen/living/dining area which leads onto a safe, enclosed garden with a patio area perfect for barbeques and alfresco dining. The garden is south and west facing.

The open plan kitchen is equipped with double ovens, induction hob, larger fridge/freezer, and a separate wine fridge. There is an additional separate dining room.

The sitting room has a real fire making this room perfect for cozying up on a cold winter's evening.

The utility and boot rooms are great spaces for taking off shoes and coats off before entering the house after a family walk along the green country lanes.

There are five bedrooms, three of which have en-suite bathrooms, spread across the two upper floors. The main bedroom is superb and boasts a large dressing room, has double height windows with vast beautiful views across the countryside.

There is a double integral garage and additional parking.
