

DETACHED BUNGALOW IN QUIET LOCATION WITH FIELD, STABLE AND MULTIPURPOSE STORAGE

This delightful three-bedroom detached bungalow is set on a large site in a quiet and peaceful location in St Ouen. It is located on the edge of open fields, within a short walk of Les Landes primary school and a few minutes' drive from the beautiful beaches at Plemont, Greve de Lecq and St. Ouen's Bay.

This home could potentially meet the requirements of house hunters looking for the following attributes:

- a) A family home combined with a steady income from the commercial unit.
- b) Substantial storage: a quality build which would be ideal for storing a car collection and/or small business enterprise.
- c) Building potential on the commercial site-for a larger or second dwelling; subject to planning approvals.

The bungalow is in good condition but would benefit from a light makeover including a new kitchen.

The property further benefits from a 3.73 verges field with agricultural classification, currently let out to a farmer.

The majority of the commercial unit has been let as dry storage; (2,752 sq. ft).

The main house comprises; entrance hall, sitting/dining room with a multi-fuel stove, separate eat-in kitchen with views over the field, utility room, three double bedrooms, each with built in storage, and a house bathroom. A single garage has loft storage. The garage would make an ideal area to add another bathroom or habitable space (subject to planning).

Externally, there is a lawned south facing garden and patio, gravelled parking area for several cars to the rear of the property (north). Also, within the grounds, there is a former horse stable and tack room, now used for storage but retaining some original features.
