A SUBSTANTIAL SOUTH FACING BEACH HOUSE WITH SUPERB SEA VIEWS

A substantial five-bedroom, three-bathroom semi-detached house (3700 sq ft), which faces directly on to the beach and sea front at Bel Royal.

One of perhaps just twenty properties adjoining the promenade between Bel Royal and Beaumont that benefit from such unparalleled sea views and rarely come on to the market.

The property is set over three floors with the accommodation comprising; Ground floor: hallway, cloakroom, a family sized eat-in kitchen with a utility room leading off, two well-proportioned reception rooms each with a working fireplace, two integral single garages and a large storeroom.

On the first floor there are three large double bedrooms, one of which is ensuite and has a seafront facing balcony, a seafront facing reception room with a balcony, and a house bathroom.

On the top floor there is a house bathroom and two further double bedrooms, one with a sea front facing balcony.

Externally, the gravel driveway provides parking for six cars, a detached double garage with additional storage above and access to the two integral single garages.

To the south is an enclosed lawned garden with a pair of gates designed to be the perfect width for a sailing dinghy or kayaks, the gates opening to the wide grass area separating the house from the promenade. With the seafront cycle track on its doorstep and the convenient mid-bay location, this property could transform the lifestyle of the whole family.

Since being built in 1932 the property has been in the ownership of just two families and has been renovated throughout to the highest standards, during the past 30 years under the current ownership. Immaculately presented and maintained to the highest standards by the discerning owners. No onward chain.
